***A Note to High School Parents***

The 2011-2012 school-year is sure to bring many challenges. Our focus will be on making sure all students are prepared to meet New York State Standards and implementing learning opportunities that assure student leave South Seneca with the skills necessary to be successful in the 21<sup>st</sup> century.

On October 14 parents will be mailed the first 5-week reports. These reports are intended to communicate the progress that students are making in classes. If you have any questions regarding your child's current grades please contact the teacher or the guidance office. We have two teacher-parent conferences scheduled for November 8 and November 15. This is an opportune time to get to know the teachers and plan strategies for working toward shared goals and outcomes.

Please remember that the Ovid campus is locked during the school day. Visitors must be buzzed in through the main entrance and will be asked to sign in and given a visitor's badge before proceeding to any other part of the building. Students staying after school should be with a teacher, advisor, coach or participating in a club or After School Home Work Help.

As always, if you have any questions or concerns anytime during the year, please feel free to call me at 869-9636, ext. 4122.

Sincerely,  
Cathy A. Flanders  
High School Principal

## **Target Take Charge of Education Program**

Last year the South Seneca School District was awarded over \$330 from Target when individuals named South Seneca as their district of choice. We invite you to take advantage of supporting the programs by using your Target Card each time you shop.

### ***How the Program Works***

Target Credit Card® and Target® Visa® Credit Card account holders can sign up for the Take Charge of Education program by calling 1-800-316-6142 or by visiting Target.com/tcoe or an in-store kiosk. The primary cardholder of a Target Debit Card™ can sign up for the Take Charge of Education program by calling 1-800-316-6142.

Designate an eligible K-12 school, and Target donates an amount equal to one percent (1%) of your Target Credit Card, Target Visa Credit Card or Target Debit Card purchases (minus returns and sales tax) at any Target store and Target.com, and one-half percent (1/2%) of your Target Visa Credit Card purchases made (not including cash advances, balance transfers and purchases of other cash equivalents, and minus returns and sales tax) everywhere else Visa credit cards are accepted. Target will track purchases made on participating Target Credit Cards, Target Visa Credit Cards, and Target Debit Cards, and will distribute the accumulated donations to schools in September.

## **Red Ribbon Week**

October 24-28 has been designated as Red Ribbon Week, a time to celebrate living tobacco, alcohol and drug free. Prizes will be given out to students all week when they pledge “to be tobacco, alcohol and drug free”. On Wednesday, October 26 we will be hosting Rock Star-Super Star at a 1 p.m. assembly. Super Star is a former computer consultant turned recording artist, anti-drug campaigner, professional speaker, author and musician. Super Star, along with his twin brother, Rock Star, recorded a CD dedicated to promoting making responsible choices. Guest musicians on their CD include current and former members of the bands Kiss, Heart, The Goo Goo Dolls, Dokken, Trans-Siberian Orchestra and more. Rock Star, Super Star will also be performing for the community at 5:30 p.m. in the Miller Auditorium. There is no admission to the hour long performance.
